Sometimes I get to feeling I was back in the old days ... long ago

When we were kids, we were young, things seemed so perfect, you know

You can't turn back the clock, you can't

turn back the time ... ain't that a shame

Those were the days of our lives

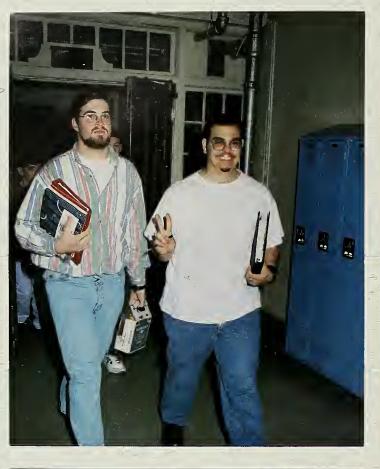

he bad things in life were so few

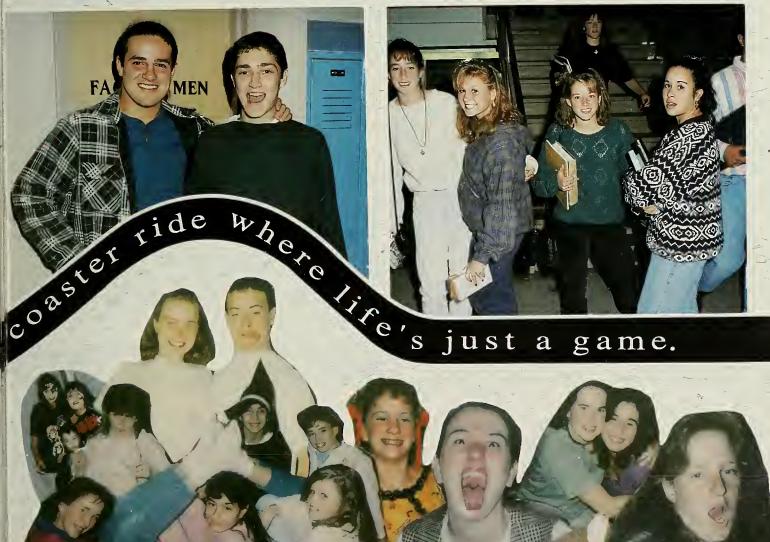

like to go back one time on a

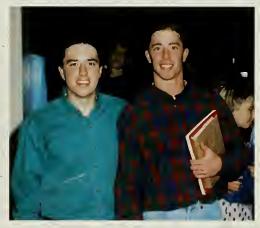

Those days are all gone now, but one thing is true ...

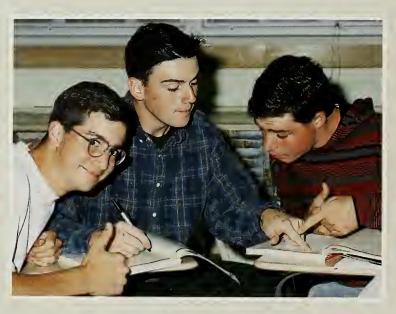

When I look and find, I still love you.

Look! We've got the teachers's edition!

"Whom were you raised by, wolves!?"

Dreaming about ...

What do you mean you don't deliver to schools?

"Knee 'em in the head?"

## DEDICATION

The class of 1994 would like to dedicate this year's TIOT to the memory of Mr. Daniel McKenna. Mr. McKenna was a generous compassionate man who selflessly sacrificed much of his time and energy to benefit the lives of those around him. Through his thirty years of teaching and coaching sports he was a positive influence on countless students and peers. His loyalty to his family and friends made him an admired and loved member of the community. The senior class would like to extend our deepest sympathies to the family of Mr. McKenna. His memory will always remain deep in our hearts.

#### PABLO BARREDO

When it's time to say goodbye, it's really hard for me to express how I feel. I feel happy and sad at the same time. Happy because I have had new experiences and I have met nice people and sad because I must leave this great place. This year has been sometimes exciting, sometimes a hell, but I have plenty of good memories. I met cool people, especially the Senior College Math and Spanish 5 groups. I made two crazy good friends: Mike O. and Beth Pitts. I must say thanks to the teachers that hosted me, Ms. Pelaggi, Mr. Mac and Mr. Carver. I would like to say thanks to all my teachers and especially I'll remember Mr. Toll, The Crazy Mr. Lyons and Ms. Focht (I hope you'll not have problems again with computers). And lastly, what can I say to the most wonderful and lovely person in the world . . . Mrs. Delaney. She's an angel, nice and kind. Neither Justo nor Jubilad. Mrs. Delaney, take the bananas out of your ears and eat Pringles till you burst. Good bye to all of you. Thanks for this wonderful year. Good Luck class of '94!!

As the days of summer ended, the Class of '95 returned to the school on the hill as upperclassmen, heirs to the throne.

This year would prove to be our most difficult academically but also very action filled. We played a major role in all sports, as our athletes moved to the forefront and with their excellent athletic ability contributed to many successful championship and near-championship seasons. On the musical side, the Class of '95 was well represented in both the band and the choral groups with award winning performances.

Within the school, we began to take true leadership roles in the many clubs and extracurricular activities. To help raise money for the restoration of the clock tower, we participated in the first ever Jr. vs. Sr. girls powder puff football game. On the social side, for the first time as a class, we attended the Semi Formal on Nov. 10 at the Mansfield Host Hotel and had an exciting and fun-filled evening. Concerning ourselves with events outside of school, our class took on the project of aiding the victims of the devastating Los Angeles earthquake.

events outside of school, our class took on the project of aiding the victims of the devastating Los Angeles earthquake. With mixed emotions we say good-bye and good luck to the Class of '94, as we look forward to our senior year, when we will be "King of the Hill".

Standing: President Christian Saulnier, Girls' A.A. Christina Harris, Sectetary Stephen Fahy, Boys' Treasurer Frank Abbatangelo,

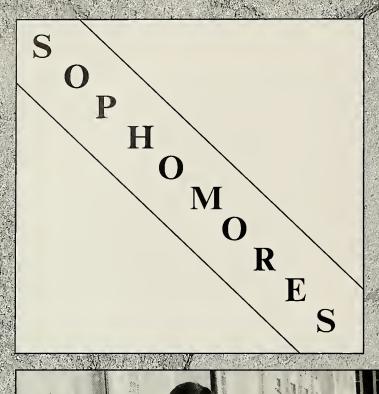

Left to Right: Vice President Michael Downs, Boys' Treasurer Jon Sadowski, Boys' A.A. Richard Kfoury, President Brooke Brady, Girls' Treasurer Amanda Johnson, Girls' A.A. Jennifer Fruci, Secretary Jennifer Staruski,

The Sophomore class actively participated in this year's spirit competition making a strong showing at many spirit events. Many sophomores participate in SADD, Student Council, Alliance Against Discrimination, Peer Education, and the Friendship Club. In addition, there are some great varsity athletes in the sophomore

class. For example, Emma Ryan and Rachel Meeks excel at track, and Casey MacDonald and Rich Staffiere are the only sophomores on the varsity basketball squads. We are looking forward to pursuing even higher standards next year and making our Junior year the best it can be.

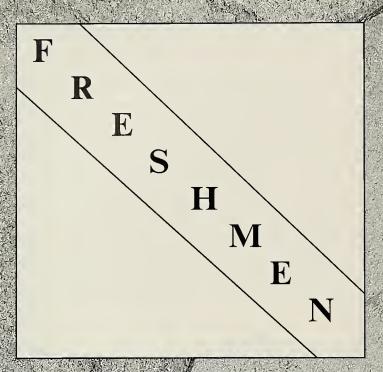

As Freshmen entering NHS we were excited, scared, and overwhelmed but we put our emotions to good use recycling over 1,000 cans at our first can drive! We also made over 300 sandwiches which we donated to the Pine Street Inn. We put our enthusiasm to work for us during Spirit competitions keeping the upperclassmen on their toes. So far, our track record is pretty good and we hope to improve it next year as Sophomores! The class of 1997 has three years left to make our high school experience unforgettable — and that's what we plan to do!

# STUDENT COUNCIL

bis year's Student Council got off to a great start with its very first meeting. The Council opened the year with many new members, including both underclassmen and seniors. Expectations ran high, and fortunately, the Student Council succeeded in fulfilling those expectations with an eventful and worthwhile year.

The first major activity was the Halloween dance. With the help of some encouragement by Mr. Powell to sell tickets, the Council was successful in coordinating the dance. We even caught a glimpse of a few senior boys in dance costumes. Another successful dance that followed helped to

raise over \$1,000 for the Daniel McKenna Scholarship Fund.

Other activities included the annual Gifts for the Elderly drive and the Boys vs. Girls basketball game and dance. The Council also once again coordinated the Valentine Heart-to-Heart matching service for the student body.

The Student Council officers would like to thank Mr. Powell for all his help in making the Council the success it has become. The underclassmen Council members would like to congratulate the graduating seniors, while the senior members would like to wish the best of luck to the underclassmen for another successful Student Council next year and all the years after.

Officers: Amy Goss, Sarah Hefferan, Libbie Smith, Michelle Bergeron

Caroline DiMarzo, Costa Nicolaou, Michael Gear, Jennifer Alden, Mike Murphy, and Carolyn Burton.

#### **Student Representatives to the School** Committee

The Student Representatives to the School Committee have done their job in keeping Administration Officials aware of school activities. Their efforts have been praised by School Committee Members, who often look to the representatives for up-to-date reports of school events. The six students have successfully reverberated the views and opinions of their fellow students.

tudent Council: First Row: Karine Pinto, Pam Calabro, Angela Osei-Mensah, Michelle Bergeron, Libbie Smith, Kerry Barret, Jen Murphy, Amy Goss, Melissa Backman, Shara lickman, Lynn Dennekamp, Carolyn Bane, Bobby Quinn, Mike Gramer, Lee Bedar; econd Row: Diedre O'Connor, Julie Kamens, Katy Barnacle; hird Row: Jennifer Shea, Elaine Nee, Caroline Dimarzo, Sarah Hefferan, Kathy Evers, Carolyn Burton, Kerri Porro, Kim Glavin, Nicole Pelaggi, Jen Lucey, Alicia Krol, Jessica Dunn, 91 julie Gear, Rich Atwood, Bill O'Brien; ourth Row: Kristen Meade, Jessica Elliott, Chris Walenten, Tim Curran, Nick Schwab.

### NATIONAL HONOR SOCIETY

nder the guidance of Miss Karahalis, the Norwood High School chapter of the National Honor Society had another successful and eventful year. The National Honor Society is a selective organization, with consideration given to those students who have achieved a high level of scholarship, leadership, service, and character in

the school and community. This year's members embodied these virtues as the group accomplished numerous worthwhile projects.

The "pull-tab" drive was one such successful effort that is to be commended. In order to raise funds for cancer research, pull-tabs were collected from bottle cans, and the final total far exceeded expectations with over 50 pounds finally accumulated. Another drive that was conducted was the annual blood drive. Coordinated by the National Honor Society, the blood drive was yet another success thanks to the many students

who volunteered their services.

The Honor Society also directed the sale of carnations on Valentine's Day, offering the students the opportunity to buy a carnation for that special someone. The Dwayne Harris Scholarship Fund was boosted, as well, by the selling of flowers on St. Patrick's Day. In addition, the National Honor Society participated in the St. Jude's Trivia-thon, Project Bread's spoon drive, the American Heart Association Phon-a-thon, the printing of over 3,000 Bay State League Hockey programs, and the Peer Tutoring program.

Some members of the National Honor Society also attended various conferences this year. Three representatives, Constantino Nicolaou, Molly Donohue, and Joe Rabbitt, attended the first national National Honor Society conference in Pittsburgh, Pennsylvania. The state leadership conference at Holy Cross, which was organized by Miss Karahalis, was also a success as over 270 students and 51 schools were represented.

#### **Art Honor Society**

The Art Honor Society, under the guidance of Mrs. Munroe, is a selective organization devoted to promoting the arts at Norwood High School. Selection criteria is based upon superior achievement in the Art Department; furthermore, candidates must show a high level of scholastic achievement in order to gain membership status.

The Art Honor Society had yet another successful year, expanding its membership to record numbers as interest in the arts at the high school continues to increase with every passing year. Various fund-raisers were conducted throughout the school year, the most successful being the numerous yet always popular bake sales. The money raised goes toward defraying the costs of a trip to New York City which annually takes place in the fall.

### STUDENT VOLUNTEERISM

my students at Norwood High have taken
the time out of their
busy schedules to volmateer their services in
the community.
Through participation
morganizations and
services such as Commionship, Peer Education, Friendship
Club, and Co-operative
Laching, students
have been able to contribute to the school and community

in numerous ways.

The Companionship Program pairs high school students with elementary school children in a format similar to Big Brothers/Big Sisters. High school students commit one afternoon a week with elementary school kids who could benefit from having another adult role model. From sharing a meal to having a simple conversation, the students involved are rewarded with experiences that are both educational and worthwhile.

Peer Education expanded this past year to include the subjects of HIV/AIDS Awareness and Conflict Resolutions, in addition to the already established subject of Drug and Alcohol Awareness. After plenty of training and practice, the Peer Educators visited the junior high and elementary schools to teach students about the volatile subjects mentioned earlier. By sacrificing precious time for training and instruction, the Peer Educators have made a strong commitment to inform and empower younger generations to make the right decisions in their lives and futures.

The Friendship Club, reaching record membership this year, continues to break down the separation between the special education program and the high school with friendship and awareness. Members have enjoyed activities that have included a hay ride, cookie baking, and T-shirt decorating. In addition, members have taken a break out of their hectic schedules to share plenty of smiles and fun at the monthly social hours.

A number of seniors also participated in the Co-operative Teaching Program. For students interested in the profession of teaching, the program allows students to teach at the elementary schools in such subjects as Physical Education, Music, ESL, and various grade levels. Under the guidance of Christine Focht, the program has successfully given seniors a taste of what teaching is really like.

Drunk drivers have taken too many innocent lives. Norwood High has made a powerful statement with one of the area's largest chapters of Students Against Driving Drunk -S.A.D.D. Members have such strong conviction in the motto "Just Don't Do It," that they work to spread this message in all they do. Under the direction of Ms. Pelaggi, S.A.D.D. is responsible for providing keychains and "safe-ride" dimes at the Jr.-Sr. Semi-Formal, sponsoring "S.A.D.D. The Spoth of Program, under the guidance of Mrs. Reilly, was once again very successful. Participants traveled to weekly seminars held at Bentley College in Waltham, discussing topics such as college life, self-

defense, and career choices. The program also offered students the opportunity to meet others with the same interests from surrounding communities.

The Norwood Chapter of the Distributive Education Clubs of America (DECA) also enjoyed a successful year. Students involved gained valuable career training in business and marketing. The program also enabled participants to receive on-hands experience at the work place, utilizing afternoons and two whole days a term for the training and practice. In addition, Joe Gillis and Tina Taylor were recipients of awards at state competitions.

## **VOCAL GROUPS**

ne various choral and singing groups at Norwood continued their popused y and success this vear under the direction of John Weiss. The various groups, ranging from the classical to the contemporary, have received recognition and accolades for their respective falents and abilities.

School Madrigal Choir is a highly selective voice chamber ensemble consisting of 15-20 members. In addition to school concerts, the NHS Madrigal Choir performs for local charitable events, civic occasions, and annually presents a madrigal dinner that combines elements of music, drama, and dance in a historical setting. This past year's "Much Ado About Murder"

was yet another successful dinner that displayed the talent of the Madrigals. They won a gold medal at MICA.

The Concert Chorale is another selective group, consisting of 60-70 voices. The group annually competes at the MICA State festival, where it received a gold medal. The Concert Chorale also competed in Florida at the All-American Music Festival where they also performed successfully.

The Boys' and Girls' Chamber Choirs are open groups comprised of freshmen. They have performed well at the various school concerts, and have performed combined numbers, whereas in previous years they had not.

The vocal groups at Norwood High have been successful and talented this year, more so than ever before.

# SENIOR

The class of 1994 is certainly the best, no doubt about it we're better than the rest, everyone thinks we are so cool, of course were the ones who rule the school, the football team looking like the army thought they were so tough, looking like everything but hot stuff, You guys don't think us girls are rough, but we all proved it in the powder puff, There are other things that have occured, and if you weren't there, I'm sure you still heard, Together we've all had so much fun, it's sad but it's almost done, We've stuck together through good and bad, we'll never forget what we had, Although we'll go our seperate way●, there are many great memories that will always stay, best of luck to everyone next year, keep in touch take good care! Goodbye NHS,

ome friendships are made by nature, some by contract, some by interest, and some by sours.

The 1993 Field Hockey Team was probably the most successful team in Norwood High History. Not only was it a highly skilled team that contained an impressive 5 Bay State League All-Stars (Jen Connor, Robyn Gawlak, Jen Gillis, Kerry Lyons, and Libbie Smith), but more importantly, this team also exemplified a team-spirit and friendship that carried both on and off the field.

The team would like to thank Coaches Steih and Solomon, as well as Assistant Coaches Kristin Cieri and Jen Foley, for always inspiring us to do and be the best.

Smash! This year's Mustang football team finished off the year at 8-2, the best record since 1981. There was a bit of a let down at the beginning, losing two out of the first three games, but the Mustangs went on to win seven straight, making it a great season overall. Par Fore! Hole-in-one

> The 1993 Golf team managed to duplicate its record from the previous year. The year was marked with outstanding individual performance. Four players tied the school course record and senior co-captain, John Little, closed out his year by winning the team MVP. The season ended on a tragic note when our coach, Dan McKenna, passed away. He was a good coach and an even better person, and he will be missed by all, especially the seniors, Mike Haberlein, John Little, Jay Kreusch, and Brian Sullivan. The seniors would also like to wish next year's team the best of luck.

The boys soccer team had a rough season this year after returning only 2 varsity starters. They began the season with a disappointing 1-0 loss to rival Walpole. The team progressively improved as the season moved on. By the end of the year, they were playing competitive soccer against the top teams in the Bay State Conference. They had an impressive showing against power-house Wellesley losing by a score of 3-2. Offensive sparks were provided by junior Paul McCann and senior Dan Haskel. The defense was spear-headed by senior sweeper Constantino Nicolaou and stopper Javier Velasquez and Luis Nicolaou. The team finished the season with a spirited 0-0 tie against arch-rival Dedham. This year's departing seniors wish good luck to next year's team.

Sayings EMP The BIG BUG Woodsman Monkey

This season, the girls' soccer team recorded the best record in Norwood's history with a 5-12-1 mark. Led by tri-captains Carolyn Burton, Danielle Chaisson, and Maura Mullane, the Lady 'Stangs were propelled to their first victory over BSC rival, Walpole. Seniors Heather Conlon, Taryn Falcone, Nicola Keaney, Colleen Roache, Alyssa Romanowiz, and Alison Sher were also major contributing factors throughout the season. This year's BSC All-Star team included Danielle Chaisson and Maura Mullane, with junior Amanda Hark. The seniors extend their heartfelt thanks to Mr. Sweeney for his dedication in this, his final season as a member of the NHS coaching staff. Best of luck to next year's team.

The 25 members of this year's girls' swim team were very spirited. We had several pluses this season: our first win (against Cambridge Latin) and individual qualifiers for sectionals and state meets. We have 4 seniors graduating this year who will be greatly missed, but we hope to build up our strength and improve our record next year.

The Norwood Girls' Volleyball Team had one burning ambition to beat last year's record. Led by captains Amy Goss and Rachel Chambers, the team was able to make this a reality. However, the team was very young and not as suc-cessful as many had hoped they would be. There were many nailbiters in which Norwood was on the losing end. Ending with a record of 4-11, better than last year's 2-13 record, the departing seniors would like to wish next year's team the best of luck.

The team's All-Stars were Amy Goss, known for her hitting and passing and Rachel Chambers, a good

server and digger.

The seniors would like to thank Coach Irv Zeman for coaching the team and our last words are, "We're gonna bump, set, spike, and serve with all our might, we are the Norwood Volleyball Team!"

This year's 1993-94 season was lead by seniors Danielle Chaisson, Jen Lucey, Lori Troilo, Maura Mullane, and Taryn Falcone. The Mustang Gírls Basketball team enjoyed a season that will never be forgotten. Our team captured its second straight Westwood Tournament Championship and our second consecutive B.S.L. crown. We took it one step further by winning the division 1 South Sectional championship and then on March 14, 1994 our dream of playing on the famed parquet floor of the Boston Garden was realized. With unbelievable school and town support we played our best against a team from Haverhill. Two points and two seconds were all that separated us from and Eastern Massachusetts Championship, 70-68, in what was called by long time tournament observers, the greatest final game in the history of girls basketball.

Along the way many personal milestones were reached. Coach Giles Parker recorded his 300th career victory after crushing Fontbonne. Norwood was led by league M.V.P. Danielle Chaisson, who broke 1000 points and went on to become the all-time male or female school scoring leader. Danielle was joined on the all-star team by seniors Jen Lucey, Lori Troilo and Junior Christi Harris. Over the last two years, the girls have compiled an overall record of 43-3.

We would like to give a special thanks to our coaches this year and the team. Always remember what we've accomplished together.

Despite some very tough competition, the Indoor track team made a strong showing in the Bay State League with a 4-2 record. Leading this year's team was senior captains Tim Curran, Constantino Nicolaou, and Mike Seery. Some of the season's highlights were the impressive second place finish in the Coaches Relays where the sprint medley placed second and the distance medley placed fifth, and a strong showing at the Bay State Conference Meet where the 4x400 relay team placed second. The seniors would like to thank Coach Tolman and Coach Forrest for a great season and they would like to thank the team for the dedication and effort they put into this season and wish them good luck next year.

#### How To Be An Artist

Stay loose. Learn to watch snails. Plant impossible gardens. Invite someone dangerous to tea. Make little signs that say yes! And put them all over your house. Make friends with freedom and uncertainty. Look forward to dreams. Cry during movies. Swing as high as you can on a swing set by moonlight. Cultivate moods. Refuse to "be responsible." Do it for love. Take lots of naps. Give money

away. Do it now. The money will follow. Believe in magic. Laugh a lot. Celebrate every gorgeous moment. Take moonbaths. Have wild imaginings. Draw on the walls. Read every day. Giggle with children. Listen to old people. Open up. Dive in. Be free. Bless yourself. Drive away fear. Play with everything. Entertain your inner child. You are innocent. Build a fort with blankets. Get wet. Hug trees. Write love letters.

#### Firefighter's Prayer

by James J. Metcalfe

When I am called to duty, God... Wherever flames may rage... Give me the strength to save some life... Whatever be its age... Help me embrace a little child... Before it is too late... Or save an older person from... The horror of that fate... Enable me to be alert... And hear the weakest shout... And quickly and efficiently... To put the fire out... I want to fill my calling and... To give the best in me... To guard my every neighbor and... protect his property... And if according to my fate... I am to lose my life... Please bless with Your protecting hand... My children and my wife.

Also named to the Conference All-Stars were senior hurdler Heather Conlan and senior sprinter and thrower Lori Triolo, who placed third in the javelin at the Class B Meet. At the banquet, three underclassmen were recognized for their accomplishments. Sophomores Nora Lynch and Megan Malneritch were named Unsung Heroes, and freshman Heather O'Rourke was given the Coaches' Award. The captains, Osei-Mensah and Deidre Elliott, along with the seniors would like to thank Coach Shachoy, Coach Smelstor and Coach Olhson for all that they've done over the past four years. The  $4\times100$  relay team also had an impressive performance at the Class B meet coming in fifth. This qualified them for the state tournament, in which they defeated Barnstable in the first round, with a great performance by team MVP Taryn Falcone. The team was eventually defeated by the number one seed Stoughton in the quarter-finals.

#### OND ROUND IN TOURNAMENT

1st Row: Lauren Healey, Catherine Jones, Libbie Smith; 2nd Row: Elizabeth Harmer, Jennifer Gillis, Erin Meyers, Emma Ryan, Coach Levine.

### GIRLS COME CLOSE IN

The 1994 Girls Tennis Team worked hard to bring back the team spirit that had been missing in the past few years. In a tough Bay State League, where most teams boast ranked players, a scrappy Mustang team surprised everyone with their heart and determination. With only 3 returning varsity players, the team welcomed the more than capable racquets of Senior: Elizabeth Harmer, Junior: Jen Gillis, and Sophomores: Emma Ryan and Erin Meyers. Emma Ryan in her first year of high school tennis was honored as a Bay State League All-Star. Tri-Capt. Catherine Jones pulled through in the clutch to win needed match points. Senior Tri-Capt. Libbie Smith teamed with Erin Meyers in the first doubles position and continually frustrated even the top teams with close matches. Senior Tri-Capt. Lauren Healy impressed not only area coaches, but also her teammates with her positive attitude, fair play, and consistency and for that reason was selected as team M.V.P. The team would like to thank Coach Levine for her help in making us one of the most respected teams in the league. The seniors would like to wish next year's team good luck and remember, "Bend your knees and follow through!"

### TOURNAMENT BID

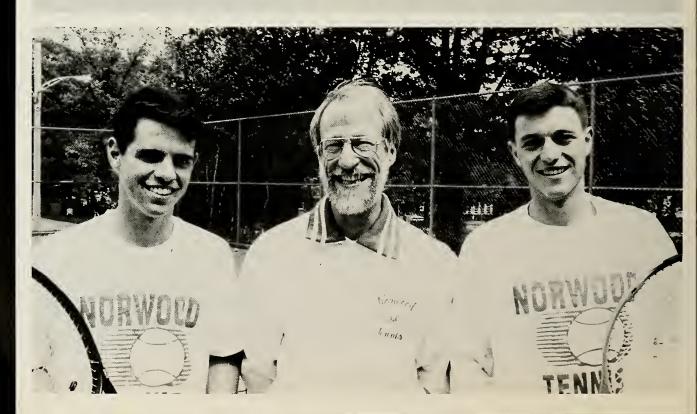

2nd Row: Burak Alsan, Yong Yoon, Bobby Parks, Steven Gold, Mike Clark, Coach Immonen; 1st Row: Steve Fahy, Matt Killion, Constantino Nicolaou, Paul McCann.

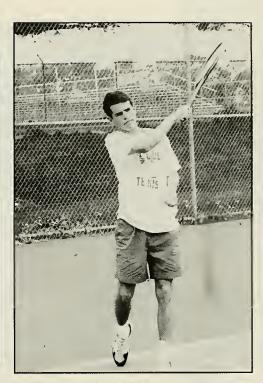

#### BOYS GO TO STATES FOR THE FIRST

Despite the discouraging number of players, the 1994 Boys Tennis Team never let their hopes of the greatest-season-ever die. Many goals were accomplished in this season of dreams — the boys defeated the perennial Bay State League powerhouses such as Walpole, Needham, and Wellesley for the first time in the past decades. Perhaps the most exciting achievement however, was that this year, the boys earned their first trip to the State Tournament since 1967. The boys have earned the respect of Bay State League Coaches and teams, not to mention the respect and admiration of their coach and their classmates. With the loss of only one Senior, Capt. Constantino Nicolaou, the Mustangs are sure to contend in 1995. They were an inspiration to us all proving we can never let go of our dreams. Congratulations!

### TIME IN 27 YEARS!!!

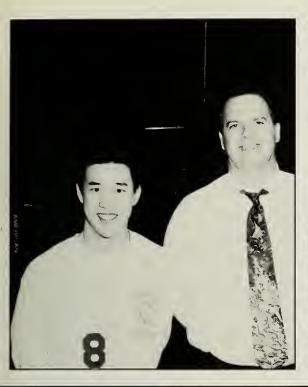

Front Row: Captain Bert Chi, Mike Belmonte; Middle Row: Dominic Bartucca, Mike Haberlin, Eric Knopp, Stephen Wu, Abel Jiminez; Back Row: Andrew Scott, Chris Kale, Brian Houle, Lee Bedar, Coach Bill Lyons.

### BOYS' VOLLEYBALL IMPROVES

Despite their 2-12 record, the 1994 Boys' Volleyball team showed much improvement in this, their second year. Bert Chi was the team's captain again this year, and Coach Bill Lyons was back to lead the team in a tough Bay State League. The Mustangs shocked many with an upset over Braintree in the last game of the season. Junior standout Chris Kale was nominated as the team MVP, and was also named a Bay State League all-star. The senior members of the 1994 Volleyball team would like to wish next year's team the best of luck.
